Dear Parents and Carers,

### **Reception Baseline Assessments (RBA)**

Within the first six weeks of the term, all children in Reception will take part in a statutory baseline assessment. The assessment looks at Language and Communication, Literacy and Numeracy. It is administered by the class teacher and usually within the classroom. The activities are very play based and are not formal. They involve a series of questions based around pictures and objects and are administered in a friendly, play-based way. During this time, we will be getting to know your child.

If you have any questions, please feel free to speak to your child's class teacher. Further information about the baseline for parents can be found on the following link:
